Playables of Files
- JPEG
- iTunes Audio files
- AAC DRM and AAC Lossless formats are not supported.

Connecting the Speakers
- Spread a cloth on the floor to avoid damaging the floor when you assemble the speakers.
- Place the speaker cords in the cables holders and lay them on the floor. Once you have finished, you can fasten the screws to the wall as necessary.

Unpacking
- Main unit
- Remote commander
- Mains lead (1), other cables, and metal standoffs (2)
- Batteries (2)

Preparing the remote control
- Turn on the power, and press the [M/D] button, then press the [M/D] button again to select the remote control.

Assembling the tall-type speakers (DAV-DZ650/DAV-DZ910)
- Spread a cloth on the floor to avoid damaging the floor when you assemble the speakers.

Connecting the TV
- Depending on the TV and the input/output jacks, the remote control and audio connection method may differ.

When connecting to TV with a VIDEO (playback only) labeled with an asterisk
- Fasten the screws to the wall, then hang the speaker on the wall.

When installing the Speakers on a Wall
- Connect the speaker cord to the wall and fasten the screws to the wall as necessary.

Color System Setup
- The color system setup is not necessary if the speaker is connected to a TV with a color system setup.

Parts and Controls
- Front panel
- Main unit
- Remote commander
- Optional items (remote) (1)

Reset the system
- Removed any Slack of the speaker cord and wait a few seconds before turning on the speakers.

Downloadable Software
- The system can recognize the following files (DAV-DZ650/DAV-DZ910).
